

Contestants' Row

Since the Fuzzkins were forced onto a trivia game show of death in Season 2, we're holding our own trivia quiz! We'll be testing you on your knowledge of Fuzzkin Facts from the first four seasons of the show. Please send one member of your team to Location A at 11:30 AM to participate!

Much like everything else, there's probably something deeper going on here. You should definitely send someone to participate, but you might want to bring someone else to take notes.
