Enter those words into the nine slices so that they fit, making sure to enter the One words diagonally up and left. If you do this correctly, you will see another nine-letter word spelled out at the other end of the slice. In order from A to I, the new words are AMBERGRIS, BEESTINGS, CASSEROLE, DOMINICAN, ENTOMBING, FAREWELLS, GODPARENT, HYGIENIST, and ICELANDER.

Reassemble the pieces into a circle, and look at the boundaries between slices. Exactly one of the nine letters will be the same across a slice boundary. Take those letters in order to get the answer, **SESAME OIL**.
