

BAPHL 12 – Paper Flyer Solution:

Part 1: flyer

The paper flyer image has a hidden message in the style of MAD magazine’s Fold-ins. As hinted in the flavor text, folding the image so that the two squares (above “animatronics” and “marching band”) are stuck together connects the two outer halves, to produce the following transformation:

Solvers need to make a paper airplane and challenge the reigning champion’s paper airplanes, of which there are three (more accurately, two planes and a boat).

Afterwards they are given a second puzzle sheet and two copies of a color (normal) or black and white sheet with lines and letters indicated. (Part 2)
