

BAPHL 12: National Paper Airplane Day solution

Part 2: folding diagrams

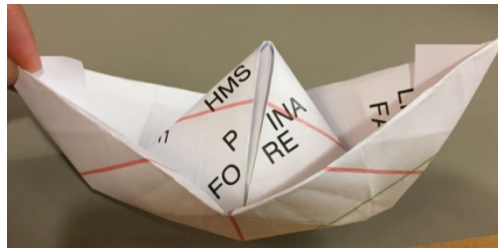

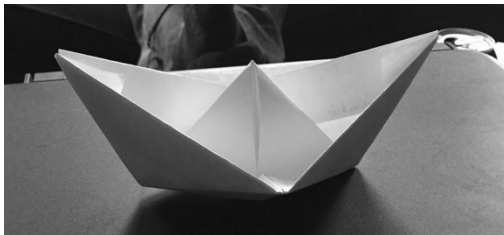

As indicated, folding copies of the three planes (two planes and a boat) on the given folding sheet causes letters to line up and provides appropriate names for each vessel.

DARTWING DUCK

GLIDEY MCGLIDEFACE

HMS PINAFORE

Filling in the observed names into the blanks and extracting letters 1-12 in order provides the answer gift **ROCKET ENGINE**.
