DRACO MALFOY  
DRAFTED ONTO THE  
BACK BAY LEGENDS

---

Draco Malfoy always had a knack for shaking up his opponent in a Wizard's Duel. His mind-boggling sorcery involved spelling multiple incantations together instead of saying them independently, and he always finished with a triumphant swirl.

A grid of 15 rounded rectangular boxes arranged in four rows. The first three rows each contain four boxes, and the fourth row contains three boxes. All boxes are empty and intended for writing spells.
