Come now and hear of Rose Kennedy's life:
Though known as a faithful and dutiful wife,
She's known to have *made an oration in church*
On the husband who sometimes left her in the lurch.

Like many political wives, Rose Fitzgerald Kennedy had to put up with a lot, including her husband's secret and not-so-secret infidelities. But Rose had her own secrets and deceptions — even some she buried in her private garden. Alas for her, the blooms that came up sometimes showed that all was not right below the surface...

In a Rows Garden puzzle, answers go into the grid in two ways: each Row of the garden contains two answers reading from left to right (except for Rows A and L, which each contain one 9-letter answer reading across the nine producing spaces). The Bloom clues are divided into three lists: White, Yellow, and Pink. Bloom clues are given in grid order within each list, but the 6-letter answer to each clue can be placed into its corresponding hexagon starting in any space and reading either clockwise or counterclockwise. Use the Row answers to figure out how to fit them in.

Q5
