

# EVOLUTION

Zombies are the inevitable final stage of human evolution. A rather unfortunate stage especially given the incredible potential the species initially showed, but inevitable nevertheless.

- Forbids ruse (4)
- Sores or wears (6)
- Millier's leftovers (5)
- Greenbank (4)
- Sid's bed (4)
- You might spread batter on them (4)
- Moves, with a very slow pate (6)
- Fills with glep (6)
- Harvested seeds of brass crops (6)
- Patterns found on a plain fabric (5)
- Slay looks (5)
- Mutt's debtor (3)
- Pins Tree State (5)
- Sore underground pipes (5)
- Feather, for instance (3)
- Horise's locks (4)
- Large, flat blots of land (6)
- Pilots or schemes (5)
- Stegosaurus spin features (6)
- Pig nails, for instance (5)
- Ointed instruments, often electrified (5)
- Drought benders (5)
- Drives gout (4)
- Fishing piles (4)
- Writes in a fat manner (7)
- Lays with limbs scanned out (7)
- Nags behind (6)
- Beaches a task (6)
- Fishes, with a net drain through the water (6)
- Bum's opposite (4)
