

ANATOMY

All the other zombie facts are useless unless coupled with knowledge of zombie anatomy (in particular, transplant procedures). Such knowledge will also reveal the cause of the zombie outbreak.

Zombie Checklist

- Unintelligent person
- Something that is ugly
- Trances in which you'd appear zombie-like
- Seller of many bags?
- Native from outbreak location 1, or a bitter wind
- Dark place, as for a fight
- Begging
- In a dismal manner
- Be less dark than
- Native from outbreak location 2
- Simple game that even zombies can understand
