

ZOMBIE FACT #2

SIGHTINGS

The best place to watch zombies and not get bit is from high up, like from the Squirrel Brand building.

This puzzle requires site specific information (Location K)

Ione: After passing the thing made of tin, he attacks an author and then he goes past an aboveground train and after another few blocks he attacks a bunch of mythical creatures!

Ione: First the zombie attacks those crazy people and then a block later, he attacks an author! Three blocks later, he passes by an animal, no wait, that thing just sounded like an animal. Then he goes past that vegetable patch and finally a billboard!

Anil: First, the zombie eats a person singing a certain tone, and then he passes a record on the ground. At the next block he eats a person saying goodbye!

Ione: First the zombie finds a body part on the ground, and then six blocks later he eats a person who is passing away!

Ione: First the zombie passes a cooking vessel lying on the ground, and then he eats an author and then passes by an aboveground train and a railroad!

Anil: First the zombie passes a cooking utensil lying on the ground, and then he eats an author and then passes by an aboveground train and a railroad! Huh, that's the same thing you just said, but mine is closer to us!

Anil: First the zombie passes a graveyard where someone is going in the ground! Two blocks later, he walks over the river on a structure!

Ione: First the zombie passes a dog moving its tail, then two blocks later he passes a hospital area, then another two blocks later he attacks a person singing a certain note, and then two blocks later he attacks another person singing the same note!

Anil: First the zombie passes by a penny and then two blocks later he eats a titled person!

Anil: First the zombie passes by that European person and then four blocks later, he passes a dot!

Anil: First the zombie passes that Chanel store and then he eats that crazy person! After that he crosses a railroad and goes to the aboveground train!

Ione: First the zombie passes that Chanel store and then he eats that crazy person! Then he keeps on going down the street to the hospital area!

Ione: I see a zombie; he passes a negative two and then two blocks later another negative two!

Ione: The zombie attacks a crazy person, and then passes a barking dog to attack a school class!

Ione: The zombie, he first passes a thing made of tin and then two blocks later attacks a person singing a certain note before he goes to the hospital area and then two blocks later he finds a valuable object. Wait, no it just sounded like a valuable object.

Ione: The zombie is going past these railroad tracks before reaching that aboveground train and then in the next block he attacks a crazy person! Then he keeps going to the hospital area!

Anil: The zombie left the hospital area and then he attacks a crazy person. He passes the aboveground train and the railroad and a few blocks later he goes to an arm of a building!

Anil: The zombie starts at the aboveground train; then, he crosses over the edge!

Ione: This zombie, he starts beneath the street, but then he attacks an author and then goes to the aboveground train and the railroad. A block later he passes two snowmen and then two blocks later a circle!

Ione: This zombie stops at nothing before he attacks a person singing a certain tone and then he attacks a crazy person!
