

Not Quite Right (Solution, both versions)

Hard mode only

Hard mode has an extra first step to this puzzle. All the crossword-style clues in the left column need to be answered. The lengths of the answers are the second number in the enumerations. The words are:

1. FARGO
2. TIME
3. GROWING
4. PASTRY
5. SOFT
6. WANDER
7. MOTTLE
8. ESCHER
9. SOLD
10. WANT
11. MAIDEN
12. TUMOR
13. SPINDLE
14. LOST

Both modes

Now that you have the words, there is another number involved. Changing that letter of the word to another letter will give you a synonym of a word in the right column. For example, FARGO [1] → CARGO, which is a synonym of SHIPMENT. Find all of the matches. Then, look at the letter changes. The pre-change letters spell out FIRST WORD WIMPS, and the post-change spell out COLLAGE WORD TWO.

WIMPS and COLLAGE are Word 1 and Word 2 at the bottom. They also have numbers indicating which letter to change. WIMPS → WISPS and COLLAGE → COLLEGE. Then, we have to take synonyms of these words to get the answer, TUFTS UNIVERSITY.
