

SOLUTION TO:

Each of the individual puzzle answers is an item that appears on exactly two windows of the Advent calendar. Also, each puzzle title rhymes with one of the gifts in “The Twelve Days of Christmas” (as also suggested by the musical notes above the puzzle titles). If you take the bigrams behind the windows for the answers, ordered as per the song, you get:

One: A Cartridge in a Spare Wii (A Partridge in a Pear Tree):

POINSETTIA → windows 6 and 20 → **AL, AC**

Four: Falling Words (Calling Birds) for Flurry teams,
or Five: Holdin’ Kings (Golden Rings) for Blizzard teams:

SNOWMAN → windows 8 and 22 → **KO, FE**

Six: Suisse Surveying (Geese A-Laying):

KRIS KRINGLE → windows 4 and 18 → **LF, ES**

Eleven: Skypers Typing (Pipers Piping):

MISTLETOE → windows 2 and 15 → **TE, EM**

Making the final answer: **A LACK OF ELF ESTEEM.**
