

BAPHL 13 – Walk the Plank Solution

This puzzle comes with two parts: a set of clues and associated plank/shark diagrams, and a set of nautical clues.

Each original clue can be paired with a corresponding nautical clue in the following way:

- One letter from the original clue is written on each plank.
- The sharks cover up some of the letters and turn them into new (unknown) letters.
- There is one plank that is **NOT** covered, that should be replaced with the letter L.
