

# BAPHL15 Solution: Time For You To Get A Watch

Author: Paul Hlebowitsh

Original Order	Blurb	Added letter	Old Movie Title	New Movie Title	Unit of Time	Order by Time
1	Bruce Willis travels to an object in orbit to open a dozen doors before the fall season ends and a virus is released.	O	12 Monkeys	12 Moon keys	season	8
2	Bruce Willis, a hitman for the mob, must jump back to the last millennium to stop himself (played by someone else) from making an embarrassing error during filming.	B	Looper	Blooper	millennium	12
3	A SETI researcher at the turn of the century journeys through wormholes in order to sign a legally binding document with extraterrestrial beings, only to come back and find she's recorded only static.	R	Contact	Contract	century	11
4	In this comedy, three friends have a chance to travel back to the previous month when they spill a radioactive energy drink on a bucket of owls.	O	Hot Tub Time Machine	Hoot Tub Time Machine	month	7
5	An aspiring writer gets transported to a Christian county the minute the clock strikes 12 and falls in love with the woman of his dreams only to realize she lives in the 1920s.	H	Midnight in Paris	Midnight in Parish	minute	2
6	On a distant hunk of rock in the future, the day is ruled by a collection of cassettes from the Oberon that have evolved to enslave their former human overlords. And of course the humans don't have a "REC" button on their VCRs.	T	Planet of the Apes	Planet of the Tapes	day	4
7	After spending years working on a secret Broadway show, a man undergoes a memory wipe and discovers he had agreed to trade his rich compensation package for a handful of everyday items.	L	Paycheck	Playcheck	year	9
8	A man spends a fortnight building a curling iron in his garage, but comes into conflict with his double, who wants to be even prettier. Eventually, he brings another curling iron into the first one to preen even more.	P	Primer	Primper	fortnight	6
9	Hugh Jackman plays a duke who travels eons into the future and begins a romance with a cartilaginous fish (played by Meg Ryan).	S	Kate & Leopold	Skate & Leopold	eon	13
10	The story of Captain James T. Kirk's harrowing several hour journey from the apartment building lobby to his 11th floor flat... without an elevator! Oh, and there's some plot line about whales.	I	Star Trek: The Voyage Home	Stair Trek: The Voyage Home	hour	3
11	A group of Mexicans tasked by God with repairing the space-time continuum instead use that power to rob historical figures across the decades.	O	Time Bandits	Time Banditos	decade	10

12	An officer (Tom Cruise) has a series of second chances to repel an invading alien block of cheese.	W	Edge of Tomorrow	Wedge of Tomorrow	second	1
13	In a dystopian world, Kitty Pryde sends Wolverine to acquire some sticky liquid for a weapon. He has one week to stop the rise of the Sentinels, and counter their unstoppable sticky mush.	E	X-Men of Future Past	X-Men: Days of Future Paste	week	5

Each of the blurbs also had a unit of time. Because we're in the time round.

If we reorder by the unit of time (in increasing magnitude).

12	An officer (Tom Cruise) has a series of second chances to repel an invading alien block of cheese.	W	Edge of Tomorrow	Wedge of Tomorrow	second	1
5	An aspiring writer gets transported to a Christian county the minute the clock strikes 12 and falls in love with the woman of his dreams only to realize she lives in the 1920s.	H	Midnight in Paris	Midnight in Parish	minute	2
10	The story of Captain James T. Kirk's harrowing several hour journey from the apartment building lobby to his 11th floor flat... without an elevator! Oh, and there's some plot line about whales.	I	Star Trek: The Voyage Home	Stair Trek: The Voyage Home	hour	3

Now the added letters spell WHITE POOL ORBS

So the answer is CUE BALLS
