

Field Research

Nathan Curtis, with assistance from Dennis Loo, Ken Levin, and M-E Stewart

When teams have amassed the required number of points and presented it to a BAPHL representative, they are given the answer, **NOODLES**. For your edification, the answers to the "Information" category are given below.

- The first name of the person for whom Davis Square is named: **Person** (can be found on the subway platform or a sign in Kenney Park)
- The sum of the numbers of the bus routes that service Davis Square:
 $87+88+89+90+94+96=544$
- The flavor of ice cream named after a current or former member of the Boston Red Sox: **Cherry Garciaparra** (at JP Licks; was renamed Cherry Ortiz until Garciaparra's retirement this season)
- The ingredients in a Little Piston 2.0: **Fresh Mozzarella, basil pesto, tomatoes, red onions, sauteed mushrooms, and greens on baguette** (Diesel Cafe)
- The largest recorded number of hot dogs eaten in 90 minutes at the Davis Square location: **17** (Spike's Junkyard Dogs)
- The year that the establishment formerly known as Worcester Lunch Car #773 was founded: **1941** (Rosebud Diner)
- The name of the art gallery to be found in the Somerville Theatre: **Museum of Bad Art**
- The square root of the post number of the hall named for a Medal of Honor recipient from WWI: **23** (George Dilboy Hall, VFW post 529)
- The fine for driving in an MBTA excluded way: **\$50** (Sign at MBTA busway)
- The three words visible on the twin towers in the 9/11 memorial: **Service, Hope, Courage** (9/11 memorial on compass rose in central intersection)
