

METAPUZZLE: "Losing Your Lunch"

Oh, thank GOODNESS you're here. Carmen's forever-famished felon Deandra "Dee" Vower made off with today's entire supply of lunch items! We've had to grab whatever we could from the four other choices for Free Period and try serving them up with the one thing left--a **Caesar salad**. The kids are disgusted by the resulting mess! Some of them have volunteered to trade lunches, but only **the parts that look alike**...maybe if you can cook up a solution to this problem, you'll be able to find what that crafty crook copped from the cafeteria!
