Kendall

*Style feeling **stale**? Fortunately for you, there's a **hair** salon right here in Kendall Square!*

This blunt, above-the-shoulders cut is sure to rile up everyone around you into a disorderly crowd hell-bent on riotous destruction. [3]

Construction in the front, party in the back! With a haircut like this, every problem looks like a nail. [6]

Didn't want to let your hair down just yet? Fortunately, this hairstyle let you reverse that decision on a whim. [4]

Want something low-maintenance? This curly hairstyle is as solid as a wall of earth. [4]

Stop the wine and stop the conversation when you walk in to the party with your new fringe. [5]

This interlaced hairstyle will make you look (and feel!) smarter. [5]
