

Answer Modifications

Note from BAPHL Resistance: Each ingredient answer you get needs to be modified before it can be used to stop the ritual. Each of these modifications should be used exactly once and each ingredient should be modified exactly once.

To help you out, you may call in modified answers to make sure you're on the right track – we'll let you know if they're correct or not.

- Remove the first and last letters of the first answer word. Anagram the remaining letters into a missing snack. (4 4)
- Swap the two answer words. Double the first letter of the new second word and anagram that second word. (4 5)
- What you'll need to play ANSWER. (7 5)
- What you might want to pack to deal with ANSWER. (8)
- ANSWER in the ----- (5)
- Add HQU to the first word and anagram. Replace the second word with a book genre. (9 7)
- Drop the last three letters. Take the first word of the formal chemical name of the result. (7)
- Remove a word from the beginning of answer word 1 and replace it with the last name of an author. Replace the last two words with a synonym. (6 5)
- Modified answer is three words. First word: remove the second letter of answer word 1. Second word: "of". Third word: the smallest unit of answer word 2 that you can get, in plural form. (4 2 7)
